NAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

1. In answer to reference letter:

- a. All information in paragraph 1 appears to be correct. However, we have given a radio to CALAMUS 2A as approved in MGKW-11607, and in addition, with the concurrence of DYCLUTCH, we have also provided him with pads, plan, crystals, etc., as described in MQBA-16156.

Full operational clearance has been requested for CALAMUS 3, and we presume approval is still pending.

- b. All individuals mentioned in paragraph 2 are indeed inactive. However, CALAMUS 2 may be reactivated at any time for stay-behind activities in Koeln.
- c. CAGLIO 2 is now going ahead with our planned training program, as full clearance was received on 6 June.
